## FIRE HYDRANT FLUSHING

### THE VILLAGE OF WALDO

#### PUBLIC WORKS

Will conduct Fire Hydrant flushing Starting August 23<sup>rd</sup>-end of September.

Flushing will be done between the hours of 3-8pm.

Hydrant flushing removes any loose sediment in the water lines, but it can cause water quality problems for you for a short time. Decreased water pressure will be temporary and if you notice any discoloration in your water, run the cold water until it clears.

If you have any questions, please call the Village Office at (920) 528-8121.
