Important dates

All **Shaded** dates are recycling days

IT'S A TOILET, NOT A TRASHCAN—WHAT NOT TO FLUSH There are only two things that can be safely flushed down the toilet - human waste and toilet paper. Any other item has the potential to clog up the system, regardless of how easily it appears to flush. Unfortunately, many of the items that often end up in the toilet can cause significant clogging problems, not only in your home's plumbing but also for the Village's sewer system and Wastewater Treatment Plant (WWTP) processes. Common items that are often flushed that SHOULD NOT BE are:

- Wipes (baby wipes, disinfecting wipes, flushable wipes)
 - Facial Tissue
 - Feminine Hygiene Products
 - Cotton Swabs
 - Dental Floss
 - Grease

Often these items do not even make it past the lateral connection from your home to the sewer system, building up and clogging the line. If these products make it to the street, they can still plug up and damage the pipes and pumps that convey sewage to the WWTP, potentially causing overflows and basement backups that can be costly to repair. If those products make it to the WWTP, they can also jam up equipment there.

Water/Sewer Utility Billing:

- Would you like to receive your utility bill sooner and not wait for snail mail? You can sign up for e-billing and receive your utility bill via email! Contact the clerk's office at 920-528-8121 or email: clerk@villageofwaldo.com.
- Accounts not paid in full by October 1st will be sent a letter. If payment is not received by November 1st a 10% penalty is added. If by November 15th payment has not been received, the total amount will be sent to the tax roll.
- The Village offers a deferred payment agreement, if you are having trouble paying the full amount due. Please contact the clerk for more information.
- Online payments are accepted through Allpaid @ www.allpaid.com. Credit card & ACH payments will be assessed a service fee of 2.95% of the total payment.
